This Amendment No. 6 (the "Amendment") amends and supplements the Schedule 13D as filed on October 24, 2005 and amended on January 20, 2006, February 2, 2006, June 13, 2006, August 17, 2006 and October 9, 2006 (the "Schedule 13D"), with respect to the sub-share certificates in certificates of proprietary interest, par value \$0.16^{2/3} each (the "Shares"), of Texas Pacific Land Trust (the "Issuer"). Capitalized terms used herein but not defined shall have the meanings ascribed thereto in the Schedule 13D. The Schedule 13D is hereby amended and supplemented as follows:

Item 3. Source and Amount of Funds or Other Consideration.

The total amount of funds required by the Reporting Persons to acquire the Shares was \$19,572,230.71. Each of the Funds used its own assets to purchase such Shares, which may at any given time include funds borrowed in the ordinary course in their margin accounts.

Item 4. Purpose of Transaction.

This Schedule 13D is being filed pursuant to Rule 13d-1(e) under the Securities and Exchange Act of 1934. The Reporting Persons have previously filed a Schedule 13G on January 6, 2005 to report the acquisition of the Shares. On October 24, 2005, the Reporting Persons sent a letter to the General Agent of the Issuer (the "October 24th Letter"). A copy of the October 24th Letter is attached to the Schedule 13D as Exhibit C and is incorporated herein by reference. On August 17, 2006, the Reporting Persons sent a letter to the General Agent of the Issuer (the "August 17th Letter"). A copy of the August 17th Letter is attached hereto as Exhibit D and is incorporated herein by reference. In addition, on August 17, 2006, the Reporting Persons issued a press release related to the August 17th Letter, a copy of which is attached hereto as Exhibit E and is incorporated herein by reference. On October 31, 2006, the Reporting Persons sent a letter to the General Agent of the Issuer (the "October 31st Letter"). A copy of the October 31st Letter is attached hereto as Exhibit F and is incorporated herein by reference. In addition, on October 31, 2006, the Reporting Persons issued a press release related to the October 31st Letter, a copy of which is attached hereto as Exhibit G and is incorporated herein by reference.

In connection with the foregoing, and as may be appropriate from time to time depending on the course of discussions with the Issuer or other actions taken by the Issuer, the Reporting Persons will consider the feasibility and advisability of various alternative courses of action with respect to their investment in the Issuer, including, without limitation: (a) the acquisition or disposition by the Reporting Persons of additional Shares; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the present board of directors or management of the Issuer; (e) a material change in the present capitalization or dividend policy of the Issuer; (f) other material changes in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation or bylaws or other actions that may impede the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to those enumerated above. Except to the extent described in the first paragraph of this Item 4 of the Schedule 13D, the Reporting Persons do not currently have any plans or proposals that relate to or would result in any of the actions specified in clause (a) through (j) of this Item 4 of the Schedule 13D.

The Reporting Persons reserve the right, based on all relevant factors and subject to applicable law, at any time and from time to time, to review or reconsider their position, change their purpose, take other actions (including actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of this Item 4 of the Schedule 13D) or formulate and implement plans or proposals with respect to any of the foregoing. Except as set forth in the Schedule 13D, no contract, arrangement, relationship or understanding (either oral or written) exists among the Reporting Persons as to the acquisition, disposition, voting or holding of Shares.

The Reporting Persons intend to review their investment in the Issuer from time to time on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's stock in particular, as well as other developments.

Texas Pacific Land Trust
Attn: Roy Thomas, General Agent

Dear Mr. Thomas:

In response to your letter dated August 18, 2006, we are well aware of the various Securities and Exchange Commission rules and restrictions that Texas Pacific Land Trust ("TPL" or the "Company") faces regarding share repurchases, as well as the thin trading volume of the Company's shares, which makes open-market repurchases by the Company of its own shares challenging at times. However, your management team can and should do more by implementing a "Dutch Auction" tender offer in which the Company could buy back a significantly greater number of shares in a much more efficient manner as compared to daily bidding in the open market. If you feel that you need contacts within an investment bank for assistance in executing a "Dutch Auction" tender offer, we would be pleased to make the appropriate introductions.

Texas Pacific Land Trust must recognize that to maximize value for its certificate holders, cash and cash equivalents of over \$12.5 million as of June 30, 2006 must not be left idle on the balance sheet and needs to be used to repurchase shares or, alternatively, immediately returned to shareholders. As the Trust generates steady, recurring income primarily through the sale of its land holdings, oil and gas royalties, grazing leases and interest on notes receivable, there are virtually no capital expenditure requirements, and as such, no reason to hold the cash on the balance sheet.

As we have previously expressed, Texas Pacific Land Trust's shares remain dramatically undervalued relative to their liquidation value. Management must seize this opportunity and aggressively buy back shares through a "Dutch Auction" tender offer, or, alternatively, return all excess cash to its certificate holders. Leaving substantial amounts of cash on the balance sheet is totally unacceptable. We demand an immediate meeting with the Board of Trustees to further discuss the appropriate strategy for realizing the untapped value of the Company.

Very truly yours,
